A GENUINE MERRIAM-WEBSTER

The name *Webster* alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

Merriam-Webster™ is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.

u.s. army golden orange n, *usu cap* U&S&A : a strong orange

prices down —*Current Biog.*: APPLICATION *(knowledge . . . to make* to hold good) *be valuable must be ready for ~—C.H. Grandgent)* b : the fact or state of being used *(as lamp in daily ~ for over 50 years)* *(put the new broom to ~) (expressions out of ~ except in dialect)* *(when fountain pens first came into ~)* c : continued or repeated exercise or employment *(worn out through long ~)* d : a method or manner of using something *(the water in the font, having once been consecrated, tempted folks to superstitious ~s —G.G. Coulton)* *(gain proficiency in the ~ of the typewriter)* 2 a (1) : habitual or customary practice : accustomed or usual procedure (2) : an individual habit or group custom *(it had been a family ~ . . . to make a point of saving for him anything which he might possibly eat —Mary Austin)* b : a liturgical form or observance *(annual ~) (festal ~; esp : a liturgy having modifications peculiar to a local church or diocese (as in England before the Reformation) or a religious order (the celebration of Mass in those religious orders . . . whose ~ differs from the standard Roman rite —advt) (from henceforth all the whole realm shall have but one ~—Bk. of Com. Prayer)* c obs : common occurrence : ordinary experience *(these things are beyond all ~ —Shak.)* 3 a : the privilege or benefit of using something offered him the ~ of his pen for signing *(had the ~ of the usual class time for study) (nor shall private property be taken for public ~ without just compensation —U.S. Constitution)* *(the Lord bless this food to our ~, and us to His service —Bk. of Com. Worship)* b : the ability or power to use something *(as a limb or faculty) (regained the ~ of his arm) (still has the ~ of his speech)* c : the legal enjoyment of property that consists in its employment, occupation, exercise, or practice *(~ of the automobile is covered by insurance)* d : a personal servitude under Roman and civil law consisting in a just utendis as distinguished from the ususfruct 4 a : a particular service or end : PURPOSE, OBJECT, FUNCTION *(put his learning to a good ~) (the river waters were dammed for power ~—Amer. Guide Series: Mich.) (develop the industrial ~s of atomic energy)* b (1) : the quality of being suitable for employment : capability of filling a need or promoting an advantage : USEFULNESS, UTILITY *(being ready first was of little ~, since you were then called on to button the others —Natacha Stewart) (old clothes that might be of some ~ to refugees)* (2) : something that fills a need or gives a benefit or advantage — used predicatively *(the thing that any artist must have to go on: the feeling . . . that he's some ~ in the world —Deems Taylor)* *(small ~ to argue if he's already made up his mind) esp. in negative constructions* *(it is no ~ reading this article any further until you have settled this first point for yourself —J.B. Nettleship)* c : the occasion or need to employ : NECESSITY, DEMAND *(took only what he had ~ for) (found little ~ for his rifle)* 5 a : the benefit in law of one or more persons; specif : the benefit of or the profit arising from lands and tenements to which legal title is held by a person in whom a trust or confidence is reposed that another person should take and enjoy — compare CESTUI QUE USE b : a legal arrangement that is a right in equity by which such benefits and profits are established in one other than the legal possessor of the property — compare TRUST 6 chiefly dial : money paid for the use of a loan : INTEREST 7 : a part of a sermon in which a doctrine is applied to life : practical application *(the discourse . . . was divided into fifteen heads, each of which was garnished with seven ~s of application —Sir Walter Scott)* 8 : a rough block of iron or steel suitable for working up into small forgings or for welding in making large ones 9 : a favorable attitude toward a person or thing as having worth or use : ESTEEM, LIKING — used with for in negative constructions *(had no ~ for most sales managers —Time) (had very little ~ for the music of most of his contemporaries —Deems Taylor)*

SYN. SERVICE, ADVANTAGE, PROFIT, ACCOUNT, AVAIL, and USE have in common the sense of a useful or valuable end, result, or purpose. USE stresses the practicality of the end, result, or purpose for which something is employed *(a tool with many uses)*. SERVICE is used more frequently of persons or animals or their work or activities than of inanimate things; in relation to persons it usu. suggests self-abnegation *(a man of great service to the community)* *(put a horse to good service in hauling logs)*. ADVANTAGE puts stress upon improvement of one's position or enhancement of something one considers of value, esp. personal value *(gain the advantage of a steady income)*. AVAIL is often used of educational advantages —*Amer. Guide Series: Minn.* *(find some advantage in even the worst circumstances)*. PROFIT is more particular in usu., implying reward, often the rewarding character of what is attained but commonly pecuniary gain *(whether or not they found the sources of the gold they were seeking, they certainly drew other profits from their venture —Brit. Bk. News)* *(pursue graduate studies with profit —Official Register of Harvard Univ.)* *(coal and steel interests were merging with mutual profit —Amer. Guide Series: Pa.)* ACCOUNT usu. suggests a calculated value; it occurs commonly in fixed phrases *(turn every talent to good account)* *(consider small loss of no account in the long run)*. AVAIL strongly suggests effectualness or effectiveness, occurring usu. in idiomatic phrases mostly in the negative *(medicine that is of no avail in curing a given disease) (of what avail is it to spend time dreaming)*. SYN see in addition HABIT

— in use or into use : in heat *(conception can only occur at the precise time when the mare is fully in use —Henry Wynn)*

sense \yuz, in vi sense 1 \yus sometimes \yuiz\ vb used \yuzd, vi sense 1 \yust\ yust \yus when "to" follows immediately) sometimes \yuz(d)\ used; using, uses [ME user, fr. OF user, fr. LL usare, fr. L usus, past part. of uti to use, employ, enjoy; akin to Oscar uitifus uses (acc. pl.)] v. 1 a archaic : to observe follow as a custom *(the like custom is used throughout the opinions —Samuel Purchas)* *(it was in old times used . . . for men to shave themselves —Richard Montagu)* b archaic : to follow or practice regularly as a mode of life or action *(then them ~ the office of a deacon —1 Tim. 3:10 (AV))* c archaic to make familiar by repeated or continued practice or experience : ACCUSTOM, HABITUATE. INURE *(spoke near the sea in storms . . . to ~ himself to speak aloud —Earl of Chesterfield)* d chiefly dial : to resort to regularly : FREQUENT *(~s more the low sandy inland parts than the plovers —Hans pane)* 2 : to put into action or service : have recourse to or enjoyment of : EMPLOY *(the pronunciations that people from different parts of the country ~) (wondered whether he would ever ~ the tie she had given him) EXERCISE* *(examiners will ~ judgment and discretion in applying the exercise test —H.G.*

Armstrong) *⟨~ his political influence to get the job⟩*: as **a** : to speak or write in (a language) *(they speak little Welsh — only forty or so in a thousand ~ the tongue —Wilfrid Goatman)* **b** : to consume or take (as liquor or drugs) regularly *(does not give scholarships to students who ~ tobacco)* *⟨do you ~ sugar in your coffee?⟩* **c archaic** : to have sexual relations with *⟨... did carnally know and ~ his wife —Francis Hackett⟩* **d archaic** : to practice or exercise upon or toward others *(I guess by the ... waspish action which she did ~—Shak.)* *⟨with their tongues they have used deceit —Rom 3:13 (AV)⟩* **3** : to carry out a purpose or action by means of : make instrumental to an end or process : apply to advantage : turn to account : UTILIZE *(carried air mail using two small single-engined planes and five employees —Current Biog.)* *(some of the best tests ... can be used only by professional psychologists —Bruce Payne)*: as **a** : to spend (time) in some occupation, interest, or activity : PASS *⟨they ~ 30 days in traveling ... about 1,000 miles —F.C.Lincoln⟩* *(stop by the way ... to chase a rabbit, or merely to ~ time —Joyce Cary)* **b** : to make an involuntary or concealed means to one's own ends *(he is being used and manipulated by the knowing men around him —T.R.Ybarra)* *(juries ... may be used to suppress writings in opposition to the government —Zechariah Chafee)* **c** : to employ a word, phrase, or sentence to refer to *(to say "life is a short word" is to mention the word life ... but to say "Life is short" is to ~ it —R.G.F.Robinson)* **4** : to expend or consume by putting to use *(percent of the world's population ... produces and ~s almost one half of the industrial goods and services —C.C.Furnas)* **5 a archaic** : to bear (oneself) in relations with others : BEHAVE, CONDUCT *(he used himself more like a fellow to your Highness than like a subject —Edward Herbert)* **b** : to behave toward : act with regard to : TREAT *(had been taken prisoner by ... partisans, who had used him with some brutality —Eric Linklater)* **6** : to apply or have applied as the usual designation (as a title or surname) of a person *(took his friends a while to acquire the habit of using the "doctor" after he received his Ph.D.)* *(a woman who ~s her maiden name professionally)* **7** : to benefit from the use of *(houses that could ~ a paint job —J.W.Ellison b. 1929)* *(I can ~ some of that gold —E.B.Lung)* **~ vi 1 a** : to be in the habit or custom : make a practice of doing something : be wont *(sit here by the window with your hand in mine ... both of one mind, as married people ~ —Robert Browning)* *(he does not ~ to be last on these occasions —George Lillo)* *(the black coachman, who had used to drive ... the carriage —Marguerite Young)* *(patrons who used to do their banking on Friday)* *⟨~ to have tallyho parties out on the ... pipe when we were young —Anne G. Winslow⟩* *(used you to beat your mother —G.B.Shaw)* **b** : used in the past with to to indicate a former fact or state *(claims the winters used to be harder)* *(isn't going to take as long as it used to)* *(didn't ~ to have a car)* **2 chiefly dial a** : to make a practice of going to a place : resort to customarily : go regularly *(if he didn't quit using around there she would make trouble for him —Mark Twain)* **b** : to occupy a place as a settled residence or habitat : DWELL, LIVE —usu. used of an animal *(I know where the gray fox ~s up yonder —R.A.Helton)*

SYN EMPLOY, UTILIZE, APPLY, AVAIL: USE is general and indicates any putting to service of a thing, usu. for an intended or fit purpose or person, in this latter reference with implications of inconsiderate or high-handed treatment (*use a jack to raise a car*) (*use a knife blade to pry up a lid*) (*use money wisely*) (*used his business experience to place the country in a better financial position —S.G.Inman*) (*his sense of being used rose suddenly above the treacherous sympathy he had begun to feel for her —Booth Tarkington*) EMPLOY may imply purposive selection, continued use or utilization, or smart turning to account (by the dialect which he *employs* the author betrays that he was an Ionian Greek —*Benjamin Farrington*) (frequently lotteries were *employed* to raise funds for channel clearing —*Amer. Guide Series: Tenn.*) UTILIZE may indicate finding a new, profitable, or practical use for something (it was now charged against him that he *utilized* his military office for private gain —*R.G.Adams*) (all civilized governments have *utilized* the Indians as military allies —*M.M.Quaife*) (a huge wine bottle, *utilized* as a pivot for the rooster weather vane when no other instrument would hold —*Amer. Guide Series: Mich.*) APPLY may imply a using or employing especially for a particular purpose or in a particular situation, sometimes with the suggestion of bringing into contact or relationship (*apply salve to a burn*) (*apply pressure at a crucial point*) (the value of *applying* statistical methods to the data) (*undertakes to apply the findings of science to personal problems —Amer. Guide Series: Mich.*) AVAIL in reflexive uses applies to a using or taking advantage of something one might waive or leave untouched (I doubt if I should abuse the permission. It is a hundred to one if I should *avail* myself of it four times a year —*Charles Dickens*) (*takes us thus directly into the consciousness of his characters, and in order to do so, he has availed himself of methods of which Flaubert never dreamed —Edmund Wilson*) — **use language** : to use profanity : SWEAR (her husband's *using language* before ladies showed him to be in high good humor —*Edith Wharton*)

useable *var of USABLE*
use and occupancy insurance *n [!use]* : BUSINESS INTERRUPTION INSURANCE

A GENUINE MERRIAM-WEBSTER

The name *Webster* alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

Merriam-Webster™ is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.
